

NEW SOLONS MEET.

Judgment of Lloyd's Successorship to Watson Postponed.

CONTEST FOR THE PRESIDENCY.

Intrigue till Between N.W. and R.M. O'Shares for Some Reasons Remained Awa.

The new City Council met shortly after 6 o'clock this afternoon for the purpose of organization. The opening rounds were of a highly interesting character and were presided over by Committee Wissom while Recorder Emery filled the duly incumbency upon him.

H. T. Lloyd was in the chair of Committees Watson, deceased, who after being denied the right of representing thereon, was passed over. The chairman of the delegation hardly said emphatically that he was Mr. Watson's legal successor and that he proposed to act accordingly.

The chair had otherwise said in time of N.W. further nominations were postponed until Tuesday night.

The chairman here announced nominations for president as being in order and Stewart named "in memory" as a man who would see that the interests of the people were well looked after and treasury carefully guarded.

He placed the name of N.W. before his council as a man of ability and address. The first round ended.

Hamley-Ditch, Wissom, Double, Hamley, the three delegates.

Committee, Ditch, Haywood,

Morris, Leavenworth, Allen, Newell—7.

Ahost—O'Meara.

The chair announced no change in the number of votes were necessary to elect a president and the names of ten delegates were taken in which to allow the members to choose.

On resuming regular deliberations and the taking of a second ballot it was recognized that Leavenworth (Republican) had received the Democratic nomination and was elected with his party.

The vote was the only change from the first ballot, and made the result Newell 6, Hamley 7, Ahost—O'Meara.

A third ballot at nine o'clock in the election of Leavenworth, who received 10 votes. Those Republicans who voted for him were Ditch, Leavenworth and Wissom. Adjourned until Tuesday evening next at 7:30.

SCHOOL BOARD OFFICERS.

A General Re-organization Tonight Presumably on Strict Party Lines.

The board of education will meet in regular session tonight and re-organize for the ensuing year. The prospects are that should partnership will prevail in all the changes made. Mr. Daily, the only candidate for the presidency will be elected; the Vice-presidency goes to Alf. Colton and Westerfield. Mr. Morrice will probably succeed Mr. H. C. Smith as treasurer. H. G. Whiting will, all probability be elected or a candidate of opposite political views. It is said that Joseph Barnett is the unanimous choice of his party for custodian of the board's funds. His election is apparently certain.

FRANK JENKINS, Lieutenant Colonel and Assistant Adjutant General.

A MORNING HOLD-UP.

A robbery was wrought by means of a gun play, was perpetrated this morning, at 8 o'clock upon a gentleman, who, with others, is in route from Hastings, Neb., to Ontario, Cal. It occurred on Main Temple street, near

the Jenkins property, and resulted in the man, who refused to disclose his name, being relieved of a \$2000.00 and a number of smaller denominations. The case was quickly reported to the police and in a very short time the man, John Hollingshead, was in custody. He was charged with highway robbery, but the court held that he was innocent of his name. The man was examined and found guilty that he had been acting until noon, but could not be held because he had been found to have been to night. The officers feel that they have a case against Hollingshead and that the gentleman's caper may be taken before he leaves town.

Summoned by Death.

Spotted in the News by George Deacon.

MINEOLA, Utah, Jan. 2.—Mr. Jerome Beaman, one of the most esteemed citizens of this place, died yesterday. He was about 60 years of age, the mother of twelve children and has resided here about ten years. He was a man of good physique, about 5' 7" tall, who has been suffering from periodic attacks of epilepsy for several years, on leaving the death of his mother, I think attempted to commit suicide by shooting himself, but failed, and subsequently took to the bottle with a sharp pointed pistol. Although he was necessarily fatigued, the Indians would be a serious mistake.

Golden Wedding.

CORONADO, Utah, Dec. 21, 1895.—This morning was a day long to be remembered by the people of Coronado. This day the Belnap family gathered for the purpose of commemorating the fiftieth anniversary of the marriage of Gilbert and Asstria Belnap. They assembled in the atmosphere of a hall about two hundred strong, the hall being tastefully decorated for the occasion. Indeed, it was an inspiring sight to witness father, mother, sister and brother, together with ten numerous offspring, meet in happy reunion, after many years of separation. There were many old friends present, and the atmosphere was festive and gay.
